New alignment for Gary Greene

Prudential Gary Greene, Realtors, is becoming Better Homes and Gardens Real Estate Gary Greene, a move that will affect 20 Houston-area offices and 850 residential real estate agents.

Gary Greene owners Mark Woodroof and Marilyn Eiland announced the change Tuesday. The company's franchise

was aligned with the national Better Homes and Gardens network years ago.

"It was good, but today it's much more," Woodroof said. "They've really tried to make it young and innovative."

agreement with Prudential expires this month.
